### Academic Year 2023-2024

5.1.3: Capacity building and skills enhancement initiatives taken by the institution include the following.

#### Soft skills

1. Language and communication skills
2. Life skills (Yoga, physical fitness, health and hygiene)
3. ICT/computing skills

Soft skills are traditionally considered complementary of hard skills which reflect the ability of students to perform a certain type of task or activity. As per as the students are concerned , Soft skills are strategic and essential when they compete for a job.

Language is a medium of communication. The ability to use language correctly for purpose of communication to be return or spoken helps to develop a positive attitude in every individual.

College students are more vulnerable to stress because of a variety of challenges they face to adapt to a new academic and social environment .Stress is a normal factor for all college students which arise from various academic, social, environmental, physical and psychological aspects. Stress can affect cognitive functions, impairs concentration, attention, mental and emotional factors.

ICT is the convergence of computer, communication and content technologies. Integration of ICT in educational institutions has an overall positive impact on the learning environment. ICT enhances the learning in class room. ICT is learner centric and hence, brings about active involvement of students in the learning process.

Consequently considering the benefits of aforesaid skill development programmes, the institution is dedicated to organize a good number of activities, seminars, workshops, certificate courses etc. to augment interest in learning , feel better with increased confidence ,a positive approach towards students and good performance in examinations.

# Professionalizing the Securities Markets

## About NISM

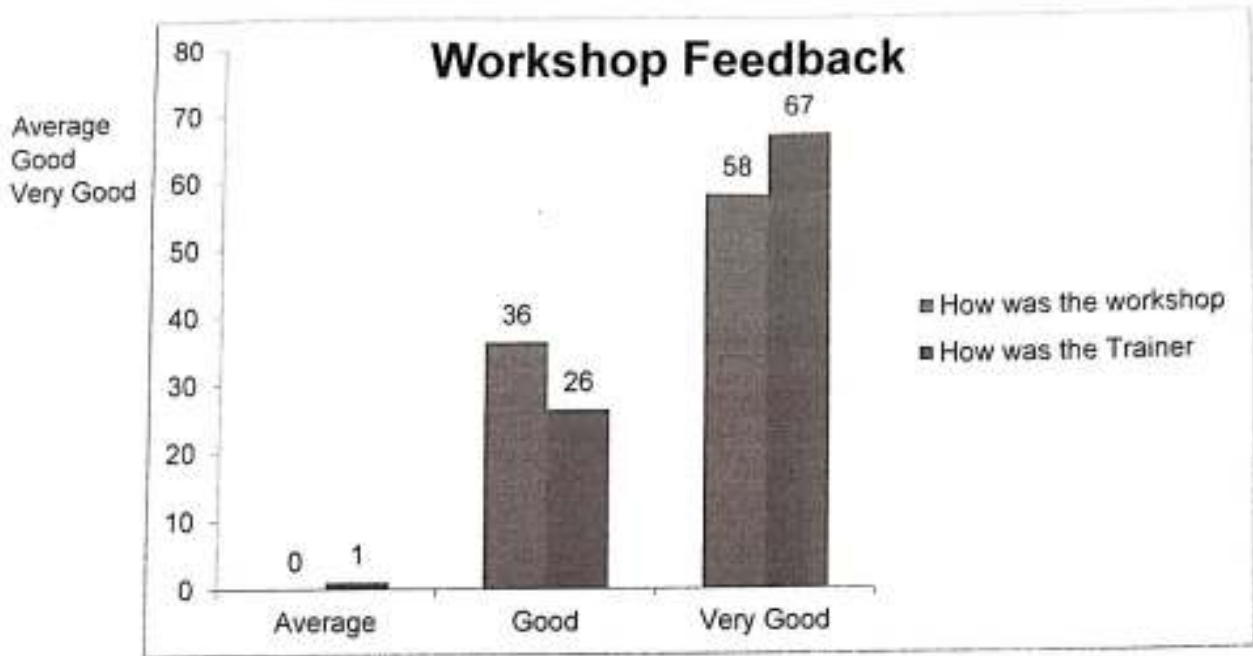

The National Institute of Securities Markets (NISM) is a public trust established in 2006 by the Securities and Exchange Board of India (SEBI), the regulator of the securities markets in India. The institute carries out a wide range of capacity building activities at various levels, aimed at enhancing the quality standards in securities markets. The institute's six schools of excellence work in synergy towards professionalized securities markets.

The Six Schools of Excellence:

- School for Securities Education (SSE)
- School for Certification of Intermediaries (SCI)
- School for Regulatory Studies and Supervision (SRSS)
- School for Investor Education and Financial Literacy (SIEFL)
- School for Corporate Governance (SCG)
- School for Securities Information and Research (SSIR)

7	Objective of the Event	Through the study of microbial individuals and interactions we can increase our understanding of the direct and indirect roles of specific members, predict how the community may respond to perturbations in the environment, and, perhaps, eventually engineer complex microbial communities for our benefit.
8	Outcome of the Event	Such unintended consequences result from interactions, the effect of one species on the growth and death of another. As this example illustrates, these interactions can lead to complex changes to the long term composition of the community and its stability in response to perturbations.

### FEED BACK :-

Students get knowledge from this Guest Lecture on topic:-

Microbial interactions are crucial for a successful establishment and maintenance of a microbial population. These interactions occur by the environmental recognition followed by transference of molecular and genetic information that include many mechanisms and classes of molecules.

#### **Classes of Microbial Interactions**

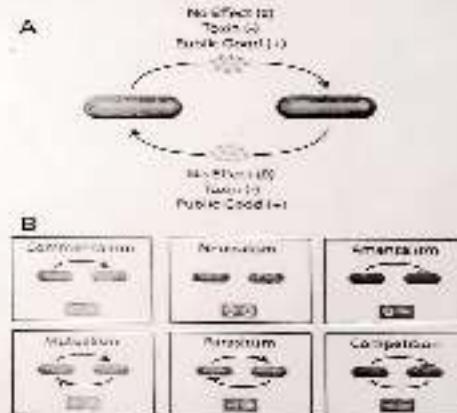

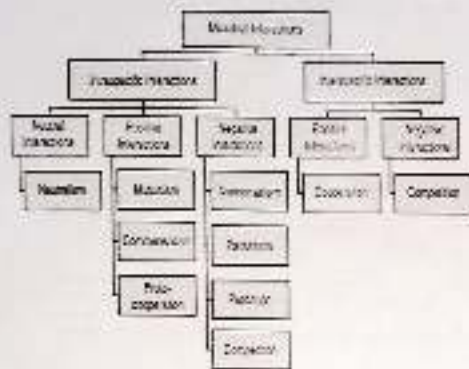

- Mutualism.
- Proto cooperation (Synergism)
- Commensalism.
- Predation.
- Parasitism.
- Amensalism
- Competition.
- Bacteria-Fungi Interactions etc...

What is the benefit of microbial interaction?

Subject: Request for Permission to Conduct Data Science Workshop  
Respected Principal, Sir,

I trust this letter finds you in good health and spirits. I am writing to formally request your kind permission to conduct a workshop at SGS Degree College on behalf of Sattva Infotech.

Workshop Details:

Topic: Data Science with Python  
Date: 20th and 21st November 2023

The objective of this workshop is to provide valuable insights and hands-on experience in the field of Data Science using the Python programming language. We believe that this workshop will be highly beneficial for the students of SGS Degree College, enhancing their skills and knowledge in this rapidly evolving field.

We would like to seek your approval to use the college premises for the mentioned dates. The workshop will be conducted by experienced professionals from Sattva Infotech who are well-versed in the subject matter. We assure you that the event will be organized with utmost care, and all necessary arrangements will be made to ensure minimal disruption to the regular academic activities of the college.

Page (1 of 2)

We anticipate the active participation of SGS Degree College students in this workshop, and we are committed to making it an engaging and informative experience for them. The workshop will include practical demonstrations, discussions, and opportunities for students to interact with industry experts.

We understand the importance of maintaining a harmonious learning environment within the college, and we will ensure that all guidelines and regulations set by the college administration are strictly followed.

We kindly request your support and approval for this workshop, as we believe it will contribute significantly to the academic enrichment of the students. We are confident that this event will foster a spirit of innovation and curiosity among the participants.

Thank you for considering our request. We look forward to your positive response and the opportunity to collaborate with SGS Degree College for this workshop.

Should you have any queries or require additional information, please do not hesitate to contact us at [sattvasoftware@gmail.com] or [+91 9985 979 770]. Meanwhile, you can find more information about our company by visiting our website: <https://www.sattvainfotech.com/>

Thank you for considering our request. We look forward to your positive response.

**Report on TWO DAYS' WORKSHOP ON "PYTHON IN DATA SCIENCE"**  
Conducted from 20-11-2023 to 21-11-2023 at S.G.S Arts College, TTD, Tirupati

The Department of Commerce (Computer Applications) organized two days' workshop on "Python in Data Science" in S.G.S Arts College, Tirupati collaboration with Sattva InfoTech. The students of B.Com CA, B.A ASCA and B.Sc computer Science and the faculty members of Computer Science working in Department of Commerce participated in the workshop. Girish Kumar Kuppireddy founder of Sattva InfoTech and N.Yaswanth Senior Software developer in Sattva InfoTech were invited as a resource person for the programme. The workshop was attended by 94 Participants.

Inaugural session was started at 10:00 am which was presided by Prof. N.Venugopal Reddy Principal S.G.S Arts College, Sri. D.Parameswara, IQAC Coordinator and Dr.B.Umamaheswari HOD Commerce welcomed and appreciated the enthusiastic students in the workshop. Highlighting the need of learning latest software technologies and he pointed out that the students of S.G.S Arts College should prepare to face fast emerging challenges in the present Software Industries. Referring to the competition scenario at the national and global level, our Principal advised all the Students to create individual visibility by displaying quality in Studies and performances consistently. Finally all dignitaries on the dais advised the Students to make use of the workshop in their carrier.

**Objective:** To explore the power and simplicity of python & data science.

**Description:**

The workshop resource person initially focused on introduction to data science and python features and applications. The students got a chance to learn python data types, operators, control structures, functions, Classes, Objects and modules. Meanwhile the queries raised by the students were also answered in an efficient way in all the sessions by the resource persons.

The workshop participants were able to successfully code and run their programs. The workshop turned out to be a major successful event, imparting lot of knowledge about python programming and how to solve simple problems with python programming.
