Bird Flu Awareness Program

OBJECTIVE:-

An awareness program on bird flu was conducted in Tirupati to educate the public about the disease and its prevention. The program focused on informing residents about the virus, its transmission, symptoms, and the necessary precautions to take, particularly regarding poultry consumption and hygiene. Emphasis was placed on the importance of cooking poultry and eggs thoroughly and maintaining good hand hygiene.

Our S.G.S Arts college NCC Cadets are also participated in this event to control the traffic and crowd.
