### Say no to Single use Plastic

#### **OBJECTIVE:-**

Increasing plastic waste in the world environment is adversely affecting mother earth and humans. Due to lack of awareness, it is frequently either dumped carelessly on land, roads or in rivers. In order to reduce the plastic consumption and acquainting the young minds regarding their responsibility towards plastic pollution, a rally was organized by the NCC Group Tirupati on 15/03/2025.

The aim of Rally was to join hands for Chief Minister's Shri Nara Chandra Babu Naidu Garu for 'Swatch Andhra Mission' and to sensitize the young cadets against the harms to natural environment posed by increasing plastic usage. Around 125 college cadets participated in the rally. After the rally we cleaned our college premisses and conduct an awareness program under the stewardship of college Principal Dr. B. Sathyanarayana sir.
